

Share fairy tales at home together, do you have a favourite one and why? Are there any that you have not heard before? What happens in all fairy tales, do you notice anything that makes them similar? Oracy (talking) Have fun talking about the Three Little Pigs story. Do you like the wolf? Explain what you think. Encourage speaking in full sentences, maybe when retelling the story, reading a book, or when asking or answering questions. We are encouraging all children to speak fluently and in full sentences. 	Take a look through your family photographs and see how people have changed? What have you noticed about them? How have they changed over time? Do you notice other things, such as; what they are wearing, are their toys the same as yours? Remember to look at your baby photographs and photographs from before you started school. How have you changed since you were a baby? 	See if you can count how many objects you can find in and around your home. How many red shoes can you find? See if you can sort the objects by size, colour, type and any others that you can think of. Count objects and things you see when you are outside of your home. Maybe you can count how many blue cars you see on the way to or from school. Maths is everywhere! Where and what will you see? Remember to speak in full sentences "There are ____ altogether". 
Create a piece of art work that has bright colours. You could use paint or felt tip pens or anything else you have at home. Looking at the colours you have used, are they primary or secondary colours? 	<u>Childhood</u> 	Can you explain what we can use computers for? Can you also remember how we can keep ourselves safe online? Create a poster to help people remember how to stay safe on line. Look online with an adult: https://www.bbc.co.uk/bitesize/topics/zymyqkt/articles/zym3b9q There is an online quiz to complete with your child to help them remember how to keep safe on line.
Focusing on our PE skills, can you balance on one leg for 5-8 seconds?  Maybe, even longer. Can you do this on both legs or is one leg slightly unstable? What do you like to do for exercise? Draw a picture or add photographs or videos of any physical activities you do onto Tapestry.	Reminder to download our 'My Happy Mind' app and share this with the children. We are currently working on the 'Meet your Brain' module. 	Have fun going on a material hunt at home. Try and find objects made out of wood, glass, stone, fabric or plastic. How can you sort them? Find out about materials: https://www.bbc.co.uk/bitesize/topics/zrssgk7/articles/z6jm7yc 

If you complete any of these we would love to see pictures on Tapestry! Remember to try and read at least 4 times a week outside of school.
