

Library Visit

Take a trip to Dursley library and see if you can find some different versions of fairytales or books with fairytale characters in them.

Maybe you can find traditional tales from different countries around the world!

Special Memories

Our memories are things that we can remember from the past. Think about a special memory of your own – you could look at photos to help.

What was special about it?

Draw a picture of your memory and have a go at writing some key words or a short caption to describe it. Bring your pictures and writing into school for us to share as a class.

Jack and the Beanstalk
Jack's neighbour was feeling very jealous of Jack's beanstalk. They found a tiny, fluffy, rainbow coloured seed and planted it. Use a range of materials, such as playdough,

buttons, or paint to create a plant you think might have grown in their garden. Take a photo and add it to Tapestry to show us your idea.

Little Red Riding Hood

Little Red Riding Hood takes lots of tasty treats in her basket when she goes to visit her grandma. Can you follow a recipe and do some of your own baking at home? Weigh out the ingredients carefully, mix them together and bake them in the oven. (Remember to ask a grown-up to help you.) Then eat and enjoy!

Add a photo to Tapestry to show us.

Reception – Spring 1 Homework Ideas

Long Ago

How Do They Feel?

There are lots of fairytales you can watch and listen to on CBeebies iPlayer.

Talk to your families about how the characters are feeling in the stories. Is there anything that you could do to help when things go wrong?

Goldilocks and the Three Bears

Collect some junk modelling materials and use them to create a home for the three bears. Can you make some chairs or some beds? What else will you add?

Growing Up

Look at photos of when you were a baby, a toddler and now you're much older. Talk to your family about what you were doing in each of the photos and how you've changed as you've grown up. What is the same and what is different? What things you can do now that you couldn't do when you were a baby?

Fairytale Woodland Walk

Lots of fairytales are set in the forest or woods: Little Red Riding Hood, Goldilocks and the Three Bears, Hansel and Gretel and Snow White. Go on your own walk through the woods and have a go at retelling one of your favourite fairytales. Maybe you could make up your own story, inspired by some of the things you see in the woods.
